Dear Mr. Wilkes:

You recently played at the Folkston Better Hometown "A Southern Gala" on September 28, 2002 in Folkston, Georgia. Your band was very entertaining and the music was wonderful. The group was very personable with our guest and kept them dancing all night. Everyone had a good time and would enjoy having you again. We hope that you will consider coming back for our next big event.

Thank you,

Dixie M. McGurn
Mayor
