To whom it may concern:

I am writing to recommend the band *Atlanta Sound* for your upcoming event. As the manager of Hemingway's Tropical Bar and Grill on Marietta Square, I have known Steve Wilkes and Atlanta Sound for six months. They have performed 12 evenings at my restaurant in that time and we have had nothing but positive experiences with them.

First, the band is extremely entertaining. The musicians and singers are first rate. Every member of the band works hard on stage. *Atlanta Sound* is very successful at involving the crowd. They play lots of the classic songs that everyone loves. We always have people dancing in the restaurant (and we have no dance floor). My customers always ask about when they're coming to play again.

Also, the band is reliable and professional. They are set up and ready to play at the agreed-upon time. Steve keeps in touch with me to make sure our schedules are in agreement.

I believe Atlanta Sound would be a great choice for your wedding, party, or corporate event. If you have any questions, feel free to call me at 770.427.5445.

Sincerely,

Michael Burke
Manager
