Dear Steve,

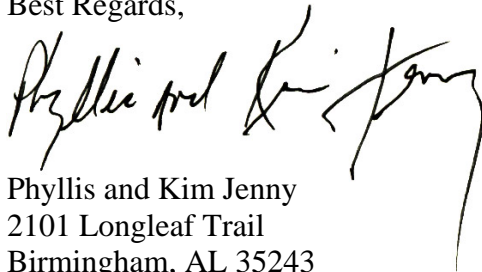

Phyllis and I wanted to write and pass along our deepest appreciation to you and the entire Atlanta Sound Band on your performance at our recent wedding reception. While we had guests of all ages, the chosen play list could not have been better. It was so much fun dancing and watching both young and old move to the wonderful tunes you so expertly played. We were so pleased with the reception and the response everyone had to the entertainment you provided. In fact, a number of the Sea Pines' staff members told us of all the bands they have heard, ASB was by far the best!

While Phyllis has a great deal of natural rhythm and looks good dancing, I on the other hand generally feel as if I have two left feet. The pictures may prove otherwise, but I actually felt good dancing which was attributable to your Atlanta Sound Band.

We know the kids wanted you to play all night and we appreciate the group extending the last set as you did. Steve, if we ever had the occasion to host a function with live entertainment, we would certainly have the Atlanta Sound Band at the top of our list. You all did a wonderful job and we thank you for making Ashley and Jeremiah's reception an evening they will never forget.

Please let us know if you should ever be engaged to play in a public venue here in Birmingham. Phyllis and I would love to put on our dancing shoes and attend. We wish you every success in the future. Thanks again for a wonderful performance.

Best Regards,

Phyllis and Kim Jenny
